## b.production

### level one post production

b.you | b.corporate

these packages include first level of post production, it includes selections and edited photographs. shot at one location; studio, office or home. usually taking 30 minutes to an hour to shoot and 30 minutes to an hour per photograph of post production (photoshop) time.

this level of post production is about colour correction, removing image distractions and balancing out the image to tell the story you are wanting to tell; be it just you, you're corporate self or your alter ego.

### level two post production

b.creative | b.seen | b.ahead | b.madeup | b.madness

these packages include the second level of post production offered. these shoots generally take a few hours, shot in a studio, hotel or on location and include photographs edited to high end editorial/beauty standard.

this level of post production is about smoothing out skin, removing distractions, balancing the photograph and usually takes a few hours per photograph of post production (photoshop) time, depending on required corrections and needs.

these packages are generally about telling a story, communicating a concept or showcasing your skills and are highly styled. we can connect you with some great stylists, make up artists and hair stylists if required.

these packages are generally for performers, models, fashion and beauty shoots or for hair and make up artists looking to showcase their work.

### level three post production

b.customised

advanced post production at times is required; love that face but decided you hate the back ground? b. has advanced skills in photoshop post production techniques, and understands when the photographs needs to be just so to tell the story you want to tell. this is an additional service priced on top of the shoot packages.
